FOR IMMEDIATE RELEASE

MARIETTA, GA (April 27, 2021) – The Cobb Chamber of Commerce named CFO Navigator as one of its 2021 Top 30 Small Businesses of the Year. For the second consecutive year, the Chamber has recognized CFO Navigator for this prestigious award due to their unique approach to helping growing organizations navigate the numbers that drive results as well as for their involvement and impact on the community.

"We are extremely honored to have been nominated by the Cobb Chamber, especially given the exclusive company and other incredible businesses chosen," said CFO Navigator Managing Partner, Robert Stephens.

CFO Navigator provides "Wall Street" worthy financial advice and guidance to local "Main Street" companies, ensuring they have access to the same full-service financial capabilities that a large, established business has.

We at CFO Navigator act as Financial Advisors for small businesses.

"We are so proud of all the small businesses that make up such an integral part of our community," said Cobb Chamber President and CEO Sharon Mason. "The quality of the businesses, the work they're doing in the community, the great jobs they're bringing—it all goes toward making Cobb County a vibrant and successful place to live, work and play."

To be considered for the Top 30 Small Businesses of Year, applicants must prove an increase in sales, provide examples of innovation, discuss adversity and challenges, and thoroughly detail their community involvement. Applications are analyzed and considered by a group of independent community business leaders and affiliates of the Small Business Administration.
