

## **CFO Navigator Selected as One of Cobb Chamber's 2022 Top 25 Small Businesses of the Year**

FOR IMMEDIATE RELEASE

MARIETTA, GA (April 29, 2022) – The Cobb Chamber of Commerce named CFO Navigator as one of its 2022 Top 25 Small Businesses for the third consecutive year. CFO Navigator was recognized for this prestigious award based on their unique approach to helping growing organizations navigate their numbers as well as for their involvement and impact on the community.

"We are extremely honored to have been nominated again this year, especially given the exclusive company and other incredible businesses selected," said CFO Navigator Managing Partner, Robert Stephens.

As fractional Chief Financial Officers, CFO Navigator fills a critical gap for small businesses and nonprofits that do not have the budget or need for a full-time CFO.

CFO Navigator provides "Wall Street" worthy financial advice and guidance to local "Main Street" companies, ensuring they have access to the same full-service financial capabilities that a large, established business has.

"CFO Navigator is an outstanding company, and we are thrilled to recognize them as a Top 25 Small Business of the Year," said Cobb Chamber President and CEO Sharon Mason. "I have witnessed this company having a great impact on both their clients and the community. Their Managing Partner Robert Stephens has done a tremendous job in growing this business and we look forward to seeing even more continued success from them."

To be considered for the Top 25 Small Businesses of Year, applicants must prove an increase in sales, provide examples of innovation, discuss adversity and challenges, and thoroughly detail their community involvement. Applications are analyzed and considered by a group of independent community business leaders and affiliates of the Small Business Administration.
